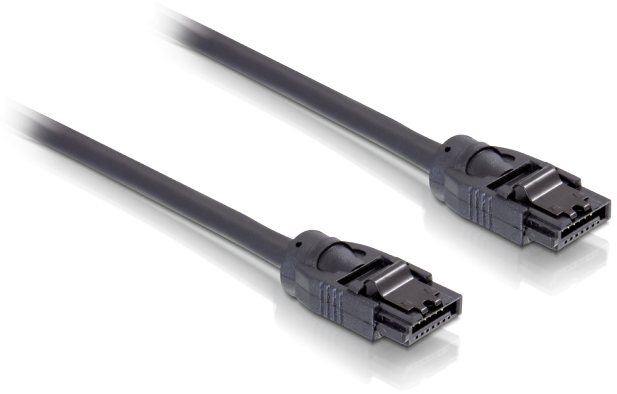
Cable SATA III
100cm straight/straight



Description

This SATA III cable by Delock complies with the latest standard and provides a data transfer rate of up to 6Gbps, which is twice the transfer rate of SATA II. It enables and internal connection of SATA III devices, e.g. HDD, Controller card or Flash memory, which are suitable for this transfer rate. Furthermore the SATA III interface is downward compatible to the elder versions I/II, at which you can only achieve the respective transfer speed.

Ref. 84405
EAN 4043619844050
